Buy-A-Brick

Lancer Baseball is celebrating it's 50th year of play. For \$100 you can buy a brick, an everlasting presence at the school. As you enter the Varsity Baseball stadium there is a wall that has personalized bricks, we would like to continue adding to this wall. Family, friends, and businesses can purchase a brick.

Some of the benefits are as follows:

- **100%** of proceeds go directly to baseball to purchase necessary equipment.
- You can make a statement, encourage those that follow, express anything in words.
- Tax Deductible (Tax ID 95-6153775)
- The only personal piece of memorabilia in existence at the baseball field.
- Support local athletic teens in their quest for excellence.
- Up to 2 lines of 20 characters each.
- Makes for a great endless gift.

Please don't miss out on this once in a lifetime opportunity. Once the wall is filled no more bricks will be sold.
