

To: TOHS Baseball Players and Parents
From: Coach Stueve

On behalf of the administration and assistant coaches I would like to take this opportunity to welcome all of you to the TOHS baseball program and the 2011 season. All of our players should be proud of all of their hard work and dedication so far, which has helped them earn a spot in our program.

Over the next few months we must learn to work with one another with a common goal in mind. To compete, and represent our families, community, and school with the utmost of dignity, honor, and sportsmanship on and off the field of play.

Our assistant coaches and myself are committed to teaching and mentoring our student athletes in many areas, which include academics, leadership, self-discipline, responsibility, and hard work. If we put each others needs ahead of our own, and dedicate ourselves on a daily basis to the task at hand, I have no doubt that our season will be a successful one.

I challenge all of our parents, players, and coaches to do something, which is sadly overlooked these days. HAVE FUN! Even though you may work harder this season than you have ever worked before, or if you may not receive as much playing time as you had hoped, you must still take the time to enjoy this season for what it is. An opportunity to put on the Lancer baseball uniform and play ball.

I look forward to working with all of you during the upcoming season and I would like to thank you in advance for all of your support, hard work, and dedication to our players and baseball program. Lets have a great season, go Lancers!
